The Harley Summer Experience 2025

Welcome to a Summer of Exploration and Growth!

We are excited to present **The Harley Summer Experience**, a dynamic summer camp designed to spark creativity, curiosity, and personal growth. With a diverse selection of enrichment themes tailored to different grade levels, campers will engage in hands-on learning, artistic expression, and outdoor adventures.

Camp Details

- **Hours:** 8:00 AM - 3:00 PM (Extended Day: 3:00 - 5:30 PM)
 - **Fees:** \$400/week | Extended Day: \$125/week
 - **Camp Dates:**
 - June 30 - July 3
 - July 7 - 11
 - July 14 - 18
 - July 21 - 25
 - July 28 - August 1
 - August 4 - 8
-

Daily Schedule Highlights

- **Engaging Enrichment Classes** – Campers select activities aligned with weekly themes.
 - **Swim Lessons** – Every camper enjoys supervised swim instruction.
 - **Nutritious Lunch & Free Play** – Socializing, exploring, and unwinding outdoors.
 - **Outdoor Adventures** – Exploring nature and participating in group activities.
 - **Extended Day Activities** – Additional fun and structured play for extended care campers.
-

Enrichment Themes by Week

Food, Farm, and Sustainability (June 30 - July 11)

Explore the connections between food, nature, and sustainability through hands-on experiences.

K-2 Activities:

- **Seed to Sprout Adventure** – Discover the plant life cycle.
- **Bee Buddies & Pollinator Paradise** – Learn about pollination and bees.
- **Farm-to-Table Cooking & Baking** – Hands-on culinary exploration.
- **Sustainability Superheroes** – Eco-friendly projects and activities.
- **Outdoor Explorers & Creek Connections** – Discover local ecosystems.
- **Garden Arts & Storytelling** – Creative nature-inspired arts.
- **Digital Art Explorers** – Intro to 2D art, photography, and design.

Grades 3-4 Activities:

- **Eco-Chefs: Sustainable Cooking** – Learn about sustainable food practices.
- **Nature Illustrators** – Draw and paint the natural world.
- **Pollination Power & Honey Harvest** – Explore beekeeping.
- **Biodiversity Safari & Creek Conservation** – Engage in hands-on ecology.
- **Exploradores Eco: Aventuras en Español** – Spanish immersion with nature themes.
- **Ceramics (Week 1 Only)** – Hand-formed pottery basics.
- **Music & Art** – Explore the relationship between sound and visual art.

Grades 5-8 Activities:

- **Digital Media Makers** – Master professional design and video tools.
- **Farm-to-Table Cooking & Baking** – Advanced culinary techniques.
- **Advanced Beekeeping & Apiculture** – Deep dive into beekeeping.
- **Environmental Science Expedition: Creek Restoration** – Hands-on conservation.
- **Ceramics (Week 2 Only)** – Wheel-thrown pottery projects.
- **Music & Art** – Explore the fusion of music and visual arts.
- **Harley Hoop Academy (Week 1)** – 1/2 day: \$200, Full day: \$320.
- **Harley Elite Soccer Camp (Week 2)** – 1/2 day: \$250, Full day: \$400.

Special Programs:

- **State Parks Camp (Grades 5-12)** – Explore local state parks with an expert guide.
- **Summer Academy: Wheel-Thrown Ceramics (Grades 5-12, June 23-27, 9 AM - 12 PM, \$250)**

- **Jewelry Making (Grades 5-12, Week 2 PM, 12:30 - 3 PM)**
-

Performing Arts (July 14 - 25)

Unleash creativity through music, dance, and theater.

K-2 Activities:

- **Magical Melodies** – Introduction to music and rhythm.
- **Instrumental Explorers** – Discover a variety of instruments.
- **Vocal Voyagers** – Learn basic vocal techniques.
- **Dance Extravaganza** – Explore movement and dance.
- **Storybook Musical Theater** – Act and sing based on favorite books.
- **Digital Art Explorers** – Hands-on digital design projects.

Grades 3-4 Activities:

- **Strum & Sing (Guitar & Ukulele)** – Learn fundamental techniques.
- **Broadway Bakes** – Bake treats inspired by Broadway shows.
- **Harmony Heights: Vocal Ensemble** – Group singing and harmonizing.
- **Creative Compositions** – Combine music and movement.

Grades 5-8 Activities:

- **Strings & Strums** – Advanced guitar and ukulele.
- **Harmony Haven** – Vocal ensemble mastery.
- **Dance Fusion Exploration** – Discover diverse dance styles.
- **Broadway Bakes** – Bake show-stopping treats inspired by musicals.
- **The Studio: Visual Storytelling** – Explore comics, animation, and storytelling.

Special Program:

- **Descendants: The Musical (Grades 3-8, July 14-25)**
 - Act, sing, and dance in a full production of *Descendants: The Musical*.
 - Broadway actors provide real theater training.
 - Culminates in two performances, including an evening show on July 25.
-

STEAM (July 28 - August 8)

Hands-on learning in science, technology, engineering, arts, and math.

K-2 Activities:

- **Messy Science Explorers** – Fun, hands-on experiments.
- **Building with Blocks & Buddies** – Introduction to engineering.
- **Artistic Math Adventures** – Exploring math through art.
- **Nature Detectives with DARC Earth** – Environmental exploration.
- **Coding with Colors** – Early coding fundamentals.
- **Digital Art Explorers** – Creative digital design projects.

Grades 3-4 Activities:

- **Robotics & Coding Adventures** – Interactive technology projects.
- **Stitch & Sew** – Introduction to sewing and fabric art.
- **Ooey-Gooey Science** – Hands-on chemistry experiments.
- **Music & Art** – Discover the connections between sound and visuals.
- **Sole Sisters Running Club** – Build confidence through running.

Grades 5-8 Activities:

- **Advanced Robotics & Programming** – Engage in complex coding.
- **Innovative Game Design** – Create your own video or board games.
- **Engineering Challenges** – Real-world problem solving.
- **Digital Media Makers** – Advanced design and media production.
